

Faculty Quality Assurance Course Offerings

The Wisconsin Technical College System (WTCS) and 16 technical colleges, offer a variety of methods by which faculty can complete professional development associated with the following Faculty Quality Assurance System (FQAS) competencies: Assessment, Behavioral Management, Course Design, Data Evidence and Analysis, Embracing Diversity, Student Success, and Teaching Methods and Technology.

The FQAS competencies replace the following former WTCS certification courses:

- ❖ #50 – Curriculum and Course Construction
- ❖ #51 – Technical and Adult Education in the WTCS
- ❖ #52 – Teaching Methods
- ❖ #53 – Educational Psychology
- ❖ #54 – Educational Evaluation
- ❖ #55 – Guidance and Counseling
- ❖ #58 – Leadership and Supervision
- ❖ #69 – Educational Diversity

Each college manages their own course schedule, times, methods in which the courses are offered (online, face-to-face, hybrid, independent study), cost / no cost, and availability to faculty in-district, out-of-district, or both.

The following colleges offer courses to out-of-district faculty: Lakeshore, Madison, Mid-State, Northcentral, Northeast, Southwest, & Western.

If you are interested in taking a course, please contact the college representative listed below.
