If the county board of supervisors establishes an initiative to provide coordinated services under s. 59.53 (7), the district board may participate in the initiative and may enter into written interagency agreements or contracts under the initiative.

(13) PARKING REGULATIONS AND FEES. The district board may adopt resolutions regulating the parking of motor vehicles on property under its jurisdiction. The resolutions may establish a fee for the parking of motor vehicles by students, faculty, staff and visitors and fines for the violation of any parking regulation. Nothing in this subsection requires that all users of the parking facilities be charged a parking fee.

(14) STUDENT IDENTIFICATION NUMBERS. The district board may assign to each student enrolled in the district a unique identi-

fication number. The district board shall not assign to any student an identification number that is identical to or incorporates the student's social security number. This subsection does not prohibit a district board from requiring a student to disclose his or her social security number, nor from using a student's social security number if such use is required by a federal or state agency or private organization in order for the district board or the student to participate in a particular program.

**38.145 Responsibilities of students.** The students of each district, subject to the responsibilities and powers of the board, the state director, the district board, the district director and the faculty, shall be active participants in the immediate governance of and policy development for the district and may participate in all matters affecting student interests to the extent not in conflict with the terms of any collective bargaining agreement. As such, students have primary responsibility for the formulation and review of policies concerning student life and services. Students in consultation with the district director and subject to the final confirmation of the district board have the responsibility for the disposition of student activity and incidental fees under s. 38.14 (9). The students of each district may organize themselves in a manner that they determine and select their representatives to participate in district governance. This section does not prohibit the board, the state director, the district board, the district director or the faculty from selecting students to participate in district governance but any students selected by those bodies or persons shall not be considered to be representatives of the students for the purposes of the students' right to select their representatives to participate in district governance.

**38.15 Financing of capital expenditures.** (1) Subject to subs. (3) and (4), if the district board intends to make a capital expenditure in excess of \$1,500,000, excluding moneys received from gifts, grants or federal funds, for the acquisition of sites, purchase or construction of buildings, the lease/purchase of buildings if costs exceed \$1,500,000 for the lifetime of the lease, building additions or enlargements or the purchase of fixed equipment relating to any such activity, it shall adopt a resolution stating its intention to do so and identifying the anticipated source of revenue for each project and shall submit the resolution to the electors of the district for approval. The referendum shall be noticed, called and conducted as provided in s. 67.05 (3) insofar as applicable. For the purposes of this section, all projects located on a single campus site within one district which are bid concurrently or which are approved by the board under s. 38.04 (10) within a 2-year period shall be considered as one capital expenditure project.

(2) No more than \$1,000,000 in reserve funds, consisting of property tax revenues and investment earnings on those revenues, may be utilized by the district board to finance capital expenditures in excess of \$1,500,000 for the purposes under sub. (1).

(3) This section does not apply to any of the following:

(a) Building program actions approved by the board before February 1, 1980.

(b) Building remodeling or improvement projects.

(c) A capital expenditure to purchase or construct a facility to be used as an applied technology center if all of the following apply:

1. The district board adopts a resolution stating its intention to make a capital expenditure under this paragraph.
2. The board approves the proposal under s. 38.04 (10) (d) 1.
3. The capital expenditure is made before July 1, 2006.
4. The total amount of capital expenditures made by the district board under this paragraph does not exceed \$5,000,000.

(d) The acquisition of a building as a result of a lease under s. 38.14 (2) (d) 2. if the district makes no cash expenditure to acquire the building.

(e) That portion of a capital expenditure funded with student housing payments for the purchase or construction, or the lease/purchase, of a student residence facility if the district board uses no revenue derived from its tax levy under s. 38.16, state aid received under s. 38.28, or fees and tuition collected under s. 38.24, for the purchase or construction, or the lease/purchase, of the student residence facility.

(4) A district board may make a capital expenditure in excess of \$1,500,000, but not more than \$2,500,000, excluding moneys received from gifts, grants, or federal funds, for a purpose specified in sub. (1), without submitting a resolution to the electors of the district for approval, if the district board receives an equal amount of federal funds for the project. If a district board makes such a capital expenditure, the limit on capital expenditures for the same project in the succeeding 2-year period under sub. (1) is reduced by the amount expended under this subsection that exceeded that limit. The limitation on the use of reserve funds under sub. (2) does not apply to a capital expenditure made under this subsection.

(6) For a building acquired as a result of a lease under s. 38.14 (2) (d) 2., the purchase price is a capital expenditure under sub. (1) in the fiscal year commencing on the 2nd July 1 following the acquisition of the building.

**38.16 District tax levy.** (1) Annually by October 31, or within 10 days after receipt of the equalized valuations from the department of revenue, whichever is later, the district board may levy a tax on the full value of the taxable property of the district for the purposes of making capital improvements, acquiring equipment, operating and maintaining the schools of the district, and paying principal and interest on valid bonds or notes now or hereafter outstanding as provided in s. 67.035. The district board secretary shall file with the clerk of each city, village and town, any part of which is located in the district, a certified statement showing the amount of the levy and the proportionate amount of the tax to be spread upon the tax rolls for collection in each city, village and town. Such proportion shall be ascertained on the basis of the ratio of full value of the taxable property of that part of the city, village or town located in the district to the full value of all taxable property in the district, as certified to the district board secretary by the department of revenue. Upon receipt of the certified statement from the district board secretary, the clerk of each city, village and town shall spread the amounts thereof upon the tax rolls for collection. When the taxes are collected, such amounts shall be paid by the treasurer of each city, village and town to the district board treasurer.

(2) The district board may borrow money and levy taxes to be used for the purchase or construction of buildings and for additions, enlargements and improvements to buildings and for the acquisition of sites and equipment. In financing activities under this subsection, the district may issue its bonds or promissory notes under ch. 67 to pay the cost thereof.

(3) (a) In this subsection:

1. “Department” means the department of revenue.
2. “Excess levy” means the amount by which a district board’s tax levy exceeds the limit under this subsection.
  - 2m. “Municipality” means a city, village, or town.
  - 2r. “Noncapital note” means a note issued by a district board under s. 67.12 (12) for any purpose other than financing any capital project or equipment with a useful life of more than one year or refunding any municipal obligations or any interest on municipal obligations.
3. “Tax levy” excludes taxes levied for the purpose of paying principal and interest on valid bonds and notes other than noncapital notes issued on or after July 2, 2013.
4. “Valuation factor” means a percentage equal to the greater of either zero percent or the percentage change in the district’s January 1 equalized value due to the aggregate new construction, less improvements removed, in municipalities located in the district between the previous year and the current year, as determined by the department of revenue under par. (am).

(am) For the purpose of making the determination under par. (a) 4., if a municipality is located in 2 or more districts, the department of revenue shall apportion the value of the aggregate new construction, less improvements removed, in the municipality among the districts based on the percentage of the municipality’s equalized value located in each district.

(b) Notwithstanding sub. (1), a district board’s tax levy in 2011 and in 2012 may not exceed the greater of the following, except as provided in pars. (bg) and (br):

1. The district board’s tax levy in 2010.
2. The amount generated using the mill rate used for the tax levy in 2010.

(be) Notwithstanding sub. (1), no district board may increase its tax levy in 2013 or in any year thereafter by a percentage that exceeds the district’s valuation factor, except as provided in pars. (bg) and (br).

(bg) 1. The limit otherwise applicable to a district board under this subsection is increased by an amount equal to the amount of any refunded or rescinded property taxes paid by the district board in the year of the levy if the refunded or rescinded property taxes result in a redetermination of the district’s equalized valuation by the department under s. 74.41.

2. If a district board’s allowable levy under this subsection in 2013, or any year thereafter, is greater than its actual levy in that year, the limit otherwise applicable to the district board under this subsection in the succeeding year is increased by the difference between the prior year’s allowable levy and the prior year’s actual levy, as determined by the department of revenue, up to a maximum increase of 0.5 percent of the actual levy in that prior year, if the district board approves the increase by a three-fourths vote.

(br) 1. If a district board wishes to exceed the limit otherwise applicable to the district under this subsection, it shall adopt a resolution supporting inclusion in the final district budget of an amount equal to the proposed excess levy. The resolution shall be filed as provided in s. 8.37. Within 10 days after adopting the resolution, the district board shall notify the board of the scheduled date of the referendum and submit a copy of the resolution to the board. The district board shall call a special referendum for the purpose of submitting the resolution to the electors of the district for approval or rejection. In lieu of a special referendum, the district board may specify that the referendum be held at the next succeeding spring primary or election or partisan primary or general election, if such election is to be held not sooner than 70 days after the filing of the resolution of the district board. The district board shall certify the results of the referendum to the board within 10 days after the referendum is held.

2. The district board shall publish type A, B, C, D, and E notices of the referendum under s. 10.01 (2). Notwithstanding s. 10.01 (2) (a), the type A notice shall include a statement of the

amount of the excess levy specified in subd. 1. and a copy of the resolution under subd. 1. Section 5.01 (1) applies in the event of failure to comply with the notice requirements of this subdivision.

3. The referendum shall be held in accordance with chs. 5 to 12. The district board shall provide the election officials with all necessary election supplies. The form of the ballot shall correspond substantially with the standard form for referendum ballots prescribed by the government accountability board under ss. 5.64 (2) and 7.08 (1) (a). The question submitted shall be whether the limit under this subsection may be exceeded by a specified amount. The limit otherwise applicable to the district under this subsection is increased by the amount approved by a majority of those voting on the question.

(c) Except as provided in par. (d), if the board determines that a district board imposed an excess levy, the board shall do all of the following:

1. Reduce the amount of state aid payments to the district board in the school year in which the district board imposed the excess levy by an amount equal to the amount of the excess levy.

2. Ensure that the amount of any reductions in state aid under subd. 1. lapses to the general fund.

3. Ensure that the amount of the excess levy is not included in determining the limit under this subsection for the district board for the following year.

4. Ensure that, if a district board's excess levy exceeds the amount of state aid that may be reduced under subd. 1., the excess amount is subtracted from state aid payments in the following years until the total amount of the excess levy is subtracted from the state aid payments.

(d) The department may issue a finding that a district board is not liable for a penalty that would otherwise be imposed under par. (c) if the department determines that the district board's excess levy is caused by one of the following clerical errors:

1. The department, through mistake or inadvertence, has assessed to any county or taxation district, in the current year or in the previous year, a greater or lesser valuation for any year than should have been assessed, causing the district board's levy to be erroneous in a way that directly causes an excess levy.

2. A taxation district clerk or a county clerk, through mistake or inadvertence in preparing or delivering the tax roll, causes a district board's levy to be erroneous in a way that directly causes an excess levy.

**38.18 Contracts and bidding.** All contracts made by a district board for public construction in a district shall be let by the district board to the lowest responsible bidder in accordance with s. 62.15 (1) to (11) and (14). For purposes of this section, the district board shall possess the powers conferred by s. 62.15 on the board of public works and the common council. (2), upon the creation of a district the property, assets, claims, contracts, obligations, rights, duties and liabilities relating and pertaining to the existing technical colleges in the territory included in the district shall become the property, assets, claims, contracts, obligations, rights, duties and liabilities of the district.

(2) (a) Upon the creation of a district the property, assets, claims, contracts, obligations, rights, duties and liabilities relating and pertaining to the existing technical college operated in a city, village or town located in the territory included in the district shall

remain the property, assets, claims, contracts, obligations, rights, duties and liabilities of such city, village or town, unless the governing body of such city, village or town transfers the whole or any portion thereof to the district under an agreement between such city, village or town and the district as to the use, obligation and ownership thereof.

(b) The purchase price of such property, except as otherwise agreed upon under par. (a), shall be the fair market value as determined by an independent appraiser selected jointly by the governing body of the city or village and the district board, less any outstanding obligations against the property which shall be assumed by the district.

(c) In financing the purchase of property transferred to the district under this subsection, the district may issue its bonds or promissory notes under ch. 67 to pay the cost thereof including assumption of outstanding obligations.

(d) The city or village shall deposit the proceeds of the sale of technical college property in the debt service fund, if any, created for payment of existing technical college obligations. The indebtedness of such city or village shall, for purposes of computing its legal debt limit, be deemed reduced by the amount of such deposit. The city or village may invest these debt service fund moneys under s. 66.0603 (1m) or 67.11 (2) and (3). Bonds and notes issued by districts for purposes of this subsection shall not be subject to referendum. The purchase agreement shall include an irrevocable clause providing that the district shall pay annually to the city or village a sum of money equal to the amount in which the interest received by the city or village upon investments authorized hereunder is less than the amount of interest paid by the city or village on the bonds of the city or village for technical college purposes.

(e) The district purchasing property under this subsection may, with approval of the city council or village board involved, pay the purchase price by issuing and delivering directly to the city or village the general obligation promissory notes or the notes of the district under s. 67.12 (12), except that no referendum may be held and the 10-year limitation on such notes shall be inapplicable to such notes issued under this paragraph. Such notes shall mature and be payable at such times, in such amounts and at such rate of interest as will amortize and pay when due the principal and interest on the outstanding obligations of the city or village for technical college purposes. All such notes, upon execution and delivery to the city or village, shall in all respects be held and considered as an authorized investment under s. 66.0603 (1m) or 67.11 (2) and (3) of the debt service fund created for payment of the city or village obligations issued for technical college purposes and shall be offset against city or village indebtedness in computing legal debt limit to the same extent as other authorized investments of the debt service fund and such notes may be sold and hypothecated. If the offset against city or village indebtedness under this paragraph is determined to be invalid in any respect, such city or village immediately may require the district issuing the promissory notes to such city or village to comply with pars. (c) and (d) to the extent necessary to cure such invalidity.

3. Require a complainant to file a complaint with the district director within 300 days of the alleged violation of sub. (1).
4. Provide periods within which the complainant and the district director must act for each procedural step leading to the issuance of a final decision and for appeal of the final decision to the district board.

If that educational assistance covers 100 percent of those fees for a credit or semester, that credit or semester shall not count against the 128 credit or 8 semester limit provided in par. (b). If that educational assistance covers less than 100 percent of those fees for a credit or semester and the remission under par. This requirement applies notwithstanding the fact that the resident student may be entitled to educational assistance under 10 USC 16132a, 10 USC 16163a, or 38 USC 3500 to 3566 as well as under 38 USC 3319, unless the resident student has 12 months or less of eligibility remaining for educational assistance under 10 USC 16132a, 10 USC 16163a, or 38 USC 3500 to 3566.

The higher educa-

tional aids board shall make that determination and calculation in consultation with the board and district board.

2. If in any fiscal year there are insufficient moneys available in the appropriation account under s. 20.235 (1) (fz) to provide full reimbursement under subd. 1. to all resident students who are eligible for that reimbursement, the higher educational aids board and the district board shall reimburse those resident students as provided in s. 39.50 (4).

If that educational assistance covers 100 percent of those fees for a credit or semester, that

credit or semester shall not count against the 128 credit or 8 semester limit provided in par. (b). If that educational assistance covers less than 100 percent of those fees for a credit or semester and the remission under par. (b) covers the remainder of those fees, the credit or semester shall count against that limit in the proportion that the remission bears to the total fees charged for that credit or semester. This requirement applies notwithstanding the fact that the student may be entitled to educational assistance under 10 USC 16131 to 16137, 10 USC 16161 to 16166, or 38 USC 3001 to 3036 as well as under 38 USC 3313, unless the student has 12 months or less of eligibility remaining for educational assistance under 10 USC 16131 to 16137, 10 USC 16161 to 16166, or 38 USC 3001 to 3036.

The higher educational aids board shall make that determination and calculation in consultation with the board and district board.

2. If in any fiscal year there are insufficient moneys available in the appropriation account under s. 20.235 (1) (fz) to provide full reimbursement under subd. 1. to all students who are eligible for that reimbursement, the higher educational aids board and the district board shall reimburse those students as provided in s. 39.50 (4).

If the solicitor represents more than one school, a separate permit shall be obtained for each school the solicitor represents.

(b) *Solicitor’s permit.* The application for a solicitor’s permit shall be made on a form furnished by the board and shall be accompanied by a fee and a surety bond acceptable to the board in the sum of \$2,000. The board shall, by rule, specify the amount of the fee for a solicitor’s permit. The bond may be continuous and shall be conditioned to provide indemnification to any student suffering loss as the result of any fraud or misrepresentation used in procuring his or her enrollment or as a result of the failure of the school to perform faithfully the agreement the solicitor made with the student, and may be supplied by the solicitor or by the school itself either as a blanket bond covering each of its solicitors in the amount of \$2,000 or the surety bond under sub. Upon approval of a permit, the board shall issue an identification card to the solicitor giving his or her name and address, the name and address of the employing school, and certifying that the person whose name appears on the card is authorized to solicit students for the school. A permit shall be valid for one year from the date issued. Liability under this paragraph of the surety on the bond for each solicitor covered by the bond shall not exceed the sum of \$2,000 as an aggregate for any and all students for all breaches of the conditions of the bond. The surety of a bond may cancel the bond upon giving 30 days’ notice in writing to the board and shall be relieved of liability under this paragraph upon giving the notice for any breach of condition occurring after the effective date of the cancellation. An application for renewal shall be accompanied by a fee, a surety bond acceptable to the board in the sum of \$2,000 if a continuous bond has not been furnished, and such information as the board requests of the applicant. The board shall, by rule, specify the amount of the fee for renewal of a solicitor’s permit.

(c) *Refusal or revocation of permit.* The board may refuse to issue or renew, or may revoke, any solicitor’s permit upon one or any combination of the following grounds:

Upon receipt of a request, the board shall grant a hearing to the applicant or holder of the permit within 30 days giving that person at least 10 days' notice of the date, time, and place.

(g) *Recovery on contracts.* No recovery shall be had by any school or its assignee on any contract for or in connection with a course or course of instruction if the representative who sold or solicited the course was not the holder of a solicitor's permit under this subsection at the time of the sale or solicitation.

(b) *Application.* Application for initial approval of a school or a course of instruction, approval of a teaching location, change of ownership, or control of a school, renewal of approval of a school or reinstatement of approval of a school or course of instruction that has been revoked shall be made on a form furnished by the board and shall be accompanied by a fee set by the board under par. (c) and any other information as the board considers necessary to evaluate the school in carrying out the purpose of this section.

(c) *Fees; rule making.* The board shall promulgate rules to establish the fees paid to the board. In promulgating rules to establish the fees, the board shall do all of the following:

3. Specify a fee to accompany all applications under par. (b).
4. Specify a student protection fee.

(d) *Enforcement.* The attorney general or any district attorney may bring an action in circuit court for the enforcement of this

subsection, including bringing an action to restrain by temporary or permanent injunction any violation of par. (a).

(e) *Penalties.* Any person who violates par. (a) may be required to forfeit not more than \$500. Each day of operation in violation of par. (a) constitutes a separate offense.
