DAY 1

1:00 – 1:15 PM  **Best Practice Break-out Sessions**
(Descriptions below)

1:15 – 2:00 PM  **Breakout Sessions (Round 1)**

**Session Focus: Domain 1 (1b)**
Maximizing the college website to introduce future students to career pathways and to consider academic, career and financial considerations to prepare for success.

**Sondra Llanos**  *Marketing Manager*
*Nicolet Area Technical College*

**Erika Warning**  *Director of Enrollment*
*Nicolet Area Technical College*

**Session Focus: Domain 2 (2e)**
Supporting non-traditional students. How we increased our transition of adult students who were in the jails to on campus program students. Credit for prior learning, support services, mindset and curriculum strategies.

**Chad Dull**  *Dean of Learning Support & Transition*
*Western Technical College*

**Mandy Church-Hoffman**  *Assoc. Dean of Learner Support & Transition*
*Western Technical College*

**Session Focus: Domain 3**
Keeping Students on the Path. Students can easily see how far they’ve come and what they need to do to complete their program. SWTC has created a home-grown degree audit system whereby students as well as advisors monitor their own progress.

**Student Success Team Rep**  *Southwest Technical College*

**Session Focus: Domain 4**
Student outcome data is used to improve teaching and learning through program review, professional development and other intentional campus efforts.

**Natti Marlaira**  *Director of Advisement & Services*
*Chippewa Valley Technical College*

**Karen Kohler**  *Assoc. Dean of General Education*
*Chippewa Valley Technical College*

**Session Focus: Multiple Domains (1, 2, & 4)**
Creating effective career pathway and pathway bridge options that utilize accelerated learning, co-requisites, and embedded supports through cross-college collaboration to support student success.

**Brooke Schindler**  *Dean, School of General Studies & Alternative High School*
*Northcentral Technical College*

**Sarah Dillon**  *Dean of Enrollment*
*Northcentral Technical College*
Committing to Equity: A Top-Down and Bottom-Up Approach

**ADJOURN**

******************************************************************************

**Everyone** is welcome to attend an optional session focusing on Perkins V and CTE development throughout the WTCS. This session will take place in Rm. 1004 after adjourning on DAY 2.

12:50 – 1:45 PM  
**OPTIONAL: Perkins V Informational Session**  
**Dr. Hilary Barker**  
*Senior Research Analyst – Wisconsin Technical College System*

The WTCS Perkins V state team is conducting a needs assessment to determine areas for improvement in career and technical education (CTE) and building collaboration. In this session, you will be able to provide feedback and information via interactive polling and discussion to help advance CTE in Wisconsin.
