Commitments: WLDI Advanced is a yearlong program designed by the WTCS and the Chair Academy. Participants are required to participate in all training sessions and complete all assignments. Each district is responsible for each participant's program fees, food, lodging, and travel expenses that are not included in the program.

Communication: The Chair Academy will directly communicate by e-mail to participants regarding preparation for the first week of training. The WLDI Coordinator will also communicate by e-mail with participants throughout the year and is the primary contact for the program. To ensure you receive emails from the Chair Academy, please white list them with your IT department (www.chairacademy.com).
