

WI OOHS Exam - Candidate Orientation

Go to the WI-Train Website <https://www.train.org/WI/>

In the search bar enter the course ID Number : **1093168** -or-

the title of the course: **WI OOHS Exam - Candidate Orientation**

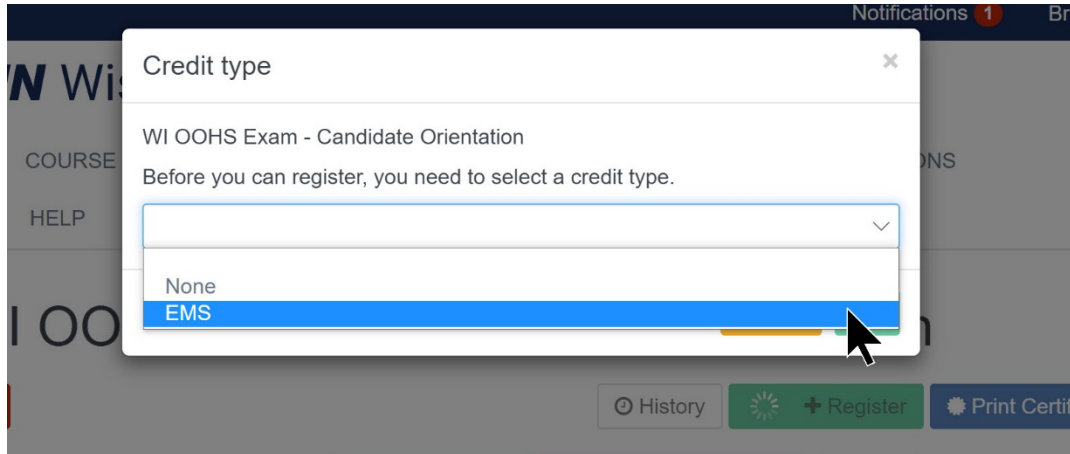

This will take you to the home page of the course:

The screenshot shows the course page for 'WI OOHS Exam - Candidate Orientation' on the TRAIN Wisconsin website. The page includes a navigation bar with links: HOME, COURSE CATALOG, YOUR LEARNING, CALENDAR, RESOURCES, DISCUSSIONS, ADMIN, and HELP. A search bar is located on the right. The course title is displayed with a bookmark icon. Below the title are three buttons: 'Back', 'History', and 'Register' (highlighted in green), and 'Print Certificate'. The course status is 'Completed: Not Verified', and the training type is 'Web-Based Training - Self-Study'. The skill level is 'Introductory' and the duration is '0.5h'. The course ID is '1093168'. There are five stars and '(2 Ratings)'. The description states: 'This program is the orientation for candidates that are participating in the EMT National Registry of EMT's psychomotor exam in Wisconsin; better known as the WI Out of Hospital Scenario Exam. The psychomotor exam in Wisconsin consists of three out of hospital scenarios; one adult, one pediatric, and one geriatric patient scenario. This course overviews the scenario exam and is required by all candidates to complete prior to the exam.'

To start the course, first click the “REGISTER” tab:

This screenshot is identical to the previous one, showing the course page for 'WI OOHS Exam - Candidate Orientation'. The 'Register' button is highlighted with a red rectangle, indicating the next step to start the course.

When you click the “REGISTER” button the “credit type” dialogue box will appear. Choose “EMS” and click “OK”.

You will then be returned to the course home where a “LAUNCH” button has replaced the “REGISTER” button. Click the “LAUNCH” button and it will take you to an external site...

The second screen will bring up the attestation statement. Please read this carefully and answer “YES” to affirm.

Evaluation

- Question 2 of 2.

Please Read Carefully:

[Wis. Stat. § 256.15\(6\)\(a\)3](#) states to be eligible for initial licensure as an emergency medical services practitioner, an individual shall “have passed an examination approved by the department.” The Wisconsin Department of Health Services, EMS Section has approved the cognitive and psychomotor components of the National Registry of Emergency Medical Technicians (NREMT) examination to serve as the state certification and licensing examination under DHS 110. Pursuant to this authority, the Wisconsin Department of Health Services, EMS Section and the Wisconsin Technical College System oversee the administration of NREMT psychomotor examinations within the State of Wisconsin. This orientation training has been prepared to assist candidates in understanding the State of Wisconsin NREMT psychomotor examination process...

Attestation:

*I attest that have completed this **Candidate Orientation training course** on the State of Wisconsin NREMT psychomotor examination process for the emergency medical technician level. I understand it is my responsibility to provide a copy of the course completion certification for this orientation training to the examination site on or prior to the date of my NREMT psychomotor examination. I understand that should I have questions on the NREMT psychomotor examination process, I may direct those questions to the Wisconsin NREMT chief examiner or the NREMT examiner designee for my NREMT psychomotor examination.*

☐ Yes
☐ No
