

Transition to Trainer Upcoming Courses- WTCS All Colleges (Updated 6/9/2022)

The Wisconsin Bureau of Apprenticeship Standards requires all registered apprentices complete the Transition to Trainer (T2T) course, ideally in the final year of the apprenticeship. This is a convenient summary of upcoming T2T course availability offered through the Wisconsin Technical System colleges. Updates to offerings occur approximately quarterly. If a WTCS college is not listed, that means there were no T2T courses scheduled at the college at the time of the update. Registration, course delivery modality, scheduling, course fees, and cancellation policies are all determined on the individual college level. Please contact the desired location for more information.

College/Location	Date(s)/Days	Time	Bldg./Room	Cost	Class #	How to Register
Moraine Park	9/26/22-10/3/22	Online self-paced		\$33.19	CRN 40116	Call registration at 800-472-4554
