The initial submission of survey data helps System Office and college staff troubleshoot any unforeseen issues (e.g., errors and warning messages, challenges with the portal not accepting the data file), while the full survey dataset without any errors and confirmed warnings is due by noon on the date of the final submission. Initial and final submission deadlines for each survey is as follows within a fiscal year (July 1 through June 30):

Survey	Initial Submission	Final Submission
Apprenticeship Completer	October 15	November 15
Graduate Outcomes	January 15	February 28
Five-Year Longitudinal	April 15	May 15
Employer Satisfaction	April 15	May 15
