

Wisconsin Fire Service Education Office (FSEO) Reciprocity Certification Application

Reciprocal certification shall be issued upon request to Wisconsin residents (or those in a current Wisconsin application/hiring process) certified by entities whose certifications are accredited by IFSAC and/or ProBoard. The Wisconsin Fire Service Education Office (FSEO) will only grant reciprocity for the levels of certification that the FSEO is accredited for. Please complete the reciprocity application, attach copies of the accredited certification(s), and email to fireservice@wtcsystem.edu or mail to:

Wisconsin Technical College System Office
Fire Service Education Office
4622 University Avenue, P.O. Box 7874
Madison, Wisconsin 53707-7874

Once the accredited certificate(s) has been confirmed, FSEO will issue the applicable reciprocal certificate(s). The FSEO will not issue a new IFSAC or ProBoard certification seal number.
