

Wisconsin Fire Service Education Office (FSEO) Advanced-Standing Application

Individuals may be granted “Advanced Standing” through recognition of equivalent certification(s) and applicable training, with appropriate documentation from another state or agency for the following levels only:

- Firefighter I, Firefighter II
- Hazardous Materials Operations
- Fire Inspector
- Fire Officer I

Individuals seeking advanced standing must submit documentation of training (transcript and syllabus) or certification from another state or agency to the WTCS FSEO (fireservice@wtcsystem.edu). Each submittal will be treated independently and will not create a precedent for future submittals.

Documentation shall include (All documentation/information must be included in this submission):

- Completed request form
- Certificate and transcript (if applicable) from other state or agency
- Proof of completion of pre- and co-requisites as shown below

Firefighter I

- [ICS-100](#)
- [IS-700](#)
- [Courage to Be Safe](#)
- [Blocking and Advance Warning](#)
- [Stress First Aid](#)

Firefighter II

- [ICS-200](#)
- Portfolio (see requirements)

Hazardous Materials Operations

- none

Fire Inspector

- none

Fire Officer I

- Proof of Wisconsin Firefighter II Certification
- Proof of Wisconsin Fire & Emergency Services Instructor Course Completion
- Portfolio (see requirements)

Once this application has been reviewed, the WTCS FSEO will notify student of the status. Upon approval, candidate will have one (1) year to complete the testing process.
