Each application must include the SFR-1 form broken out by line item as instructed below. Each SFR-1 must be accompanied by a detailed breakdown of its line-item budget. Submit quarterly Expenditure Reports as a minimum. Monthly reports are recommended. The report should be completed by line item as budgeted. A detailed breakdown with expenditure reports is not required.

All funds must be expended or encumbered in the fiscal year of the appropriation from which the funds were drawn in order to be reimbursed for incurred expenses. Final expenditure/encumbrances reports must be received at the System Office no later than **45 days from the end of the grant period**.
