Travel Expenses	Hotel, mileage, and some meal expenses are not included in the program	Participants submit travel expenses to their respective college

**Commitments:** WLDI Foundations is a yearlong program designed by the WTCS and the Chair Academy. Participants are required to participate in all training sessions and complete all assignments. Each district is responsible for each participant's program fees, food, lodging, and travel expenses that are not included with the program.

**Communication:** The Chair Academy will directly communicate by e-mail to participants regarding preparation for the first week of training. The WLDI Coordinator will also communicate by e-mail with participants throughout the year and is the primary contact for the Interim Session and overall coordination of the program. To ensure you receive emails from the Chair Academy, please white list them with your IT department ([www.chairacademy.com](http://www.chairacademy.com)).
