

## Course, Curriculum and Program Reports

| Report Name                                                | Location | Description                                                                                                                      |
|------------------------------------------------------------|----------|----------------------------------------------------------------------------------------------------------------------------------|
| <i>1. Aligned Courses</i>                                  | Course   | Lists all Aligned Courses for a fiscal year.                                                                                     |
| <i>2. Courses All Data</i>                                 | Course   | Lists key district course details for a fiscal year. Excel format only.                                                          |
| <i>3. Course Credit Modification List</i>                  | Course   | Lists details of district courses being offered at a different credit value than was approved for in the Course Approval System. |
| <i>4. Courses with Expiring Curriculum Exception Codes</i> | Course   | Lists district courses that contain a Curriculum Exception Code and the exception duration for a fiscal year.                    |
| <i>6. Orphaned Courses</i>                                 | Course   | Lists district courses with no Curriculum Exception Code and are not in a curriculum.                                            |
| <i>7. Out of Compliance - Course</i>                       | Course   | Lists all district courses in Out of Compliance status for a fiscal year.                                                        |
| <i>8. Pending Course with Director Comment</i>             | Course   | Lists a district's courses in Pending status with a Director comment.                                                            |
| <i>9. Rollover – Disapproved Course</i>                    | Course   | Lists district courses that were moved to disapproved status during rollover with reason.                                        |
| <i>10. Aligned Curriculum Configuration</i>                | Program  | Lists the aligned core curriculum template for aligned programs.                                                                 |
| <i>11. Curriculum All Data</i>                             | Program  | Lists key curriculum details for a selected fiscal year. Excel format only.                                                      |
| <i>12. Curriculum Courses</i>                              | Program  | Lists all program curriculum a course is part of.                                                                                |
| <i>13. District Aligned Curriculum</i>                     | Program  | Lists which aligned curricula are being used by a district in a fiscal year.                                                     |

## Course, Curriculum and Program Reports

| Report Name                                               | Location            | Description                                                                                                                                                                    |
|-----------------------------------------------------------|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>14. Embedded Credentials</i>                           | Program             | Lists Embedded Technical Diploma & Pathway Certificate programs by district, and each program's parent program.                                                                |
| <i>15. Out of Compliance - Curricula</i>                  | Program             | Lists all district curricula in Out of Compliance status for a fiscal year.                                                                                                    |
| <i>16. Pending Curriculum with Director Comment</i>       | Program             | Lists a district's curricula in Pending status with a Director comment.                                                                                                        |
| <i>17. Programs Comprehensive Data (Not yet released)</i> | Program             | Lists key program details for a selected fiscal year. Includes TSA Phase 1 and Phase 2 approval dates. Excel format only.                                                      |
| <i>18. Programs Cluster and Pathway</i>                   | Program             | Lists Programs' cluster and pathway designations.                                                                                                                              |
| <i>19. Programs in Suspended Status</i>                   | Program             | Lists all programs in suspended status with ability to filter by status longevity.                                                                                             |
| <i>20. Rollover – Disapproved Curricula</i>               | Program             | Lists all district curricula that were moved to disapproved status during rollover with reason.                                                                                |
| <i>21. Shared Programs</i>                                | Program             | Lists Shared Programs, primary, cooperating colleges and their agreement dates.                                                                                                |
| <i>22. Instructional Area and Cluster</i>                 | Instructional Areas | Lists all active instructional areas, including title, number, assigned cluster, assigned director and assigned material fee code. Does not list inactive instructional areas. |
