## Preface

Appointed boards govern the 16 Wisconsin Technical College System districts. Each district board has nine members, representing employers, employees, local elected officials and school district administrators. The boards are responsible for levying property taxes for the operation of the WTCS district, contracting for instructional services, providing for facilities and equipment and appointing a district president. Wisconsin citizens are strongly encouraged to get involved in both the public process for appointing district board members and as candidates for the boards themselves. This manual is a guide to that process, which is governed by the Wisconsin Statutes and Administrative Rule.

## Introduction

This manual is designed to assist Technical College System (TCS) District Board Appointment Committees, TCS district staff, and the Wisconsin Technical College System Board in the appointment of TCS district board members. Additionally, it provides guidance to candidates for the local district boards and the public on the process and their opportunities for participation in it.

The manual is organized into three primary sections: a timetable that provides a calendar of required activities; a step-by-step guide for each stage of the process, including information on required documents; and a link to the WTCS website which includes templates and forms, an application/affidavit packet for candidates, related statutes and administrative rule, and frequently asked questions.

The appointment process occurs on an annual basis for a portion of the membership of the local district boards. Outside that annual process, it also occurs when a local district board member does not complete their term. In addition to the general public that is always strongly encouraged to participate in the appointment process, there are four primary groups involved in the appointment process. These are listed below along with a brief description of their responsibilities.

**The Local Appointment Committee** - The local appointment committee approves a plan of representation, reviews candidates' qualifications, interviews candidates, conducts the public hearing to receive comments on candidates and votes on the candidates.

**The District Board Staff** - The district board staff provides any necessary support to the local appointment committee, including posting public notices, developing the plan of representation, and filing required documentation with the WTCS Board.

**The WTCS Board** - The WTCS Board reviews the process used by each local appointment committee to ensure it complies with statutes and administrative rule and makes the final approval of the appointments of local candidates to the district board.

**Candidates** - Candidates for the district board are required to fulfill certain obligations in order to be considered, including attending public hearings, completing an application and providing references.

The appointment process takes approximately six months to complete. All approved appointees serve three-year terms, which begin on July 1. The following table indicates the cycle of board appointments between 2026 and 2032:

## Step-by-Step Guide to the District Board Appointment Process

By statute and administrative rule, each group involved in the appointment process is required to complete specific steps and to issue or complete documents within specific timelines. The guide that follows takes the reader through each step of the process and provides specific detail on what must be accomplished. For your convenience, we have included samples of required documents, as appropriate. All templates are also available on-line at: [MyWTCS - District Board Appointment Process](#)

### I. ANNOUNCEMENT AND NOTIFICATION OF VACANCIES

#### A. WTCS STAFF: Sends letter initiating annual district board appointment process

By December 15, the WTCS President sends a letter initiating the annual district board appointment process to each district president. The letter (see [Sample, p. 19](#)) will:

- inform them of the initiation of the annual district board appointment process;
- refer them to the district board appointment manual for information and guidance;
- update them on changes to the manual; and
- ask district presidents for names, addresses and telephone numbers of designated district liaison staff and district board appointment committee members.

#### B. DISTRICT BOARD SECRETARY: Sends notice of pending vacancy

On or before the first Monday in March for expired terms, or within 30 calendar days of when a vacancy occurs by resignation, the district board secretary sends a Notice of Pending Vacancy to:

- each member of the appointment committee;
- each governing body having a member on the appointment committee; and
- the WTCS Board.

The Notice of Pending Vacancy (see [Sample, p. 20](#)) will:

- identify the board member categories to be filled; and
- identify the incumbents whose terms are expiring.

**C. APPOINTMENT COMMITTEE CHAIR:** Establishes dates, times and locations for two public meetings: 1) a meeting to discuss and approve a plan of representation and to review candidate applications; and 2) a public hearing and meeting to interview and hear comments on the candidates and make appointment decisions.

The chair of the appointment committee, after receiving Notice of Pending Vacancy from the district board secretary, shall:

- Establish date(s), time(s), and place(s) for two public meetings:
  - o a meeting to discuss the plan of representation and review candidates' applications, and
  - o a subsequent combined meeting to receive public comments (public hearing) and meeting to make appointments.
- Schedule the meetings within 60 calendar days after receipt of Notice of Pending Vacancy or term expiration, or 60 calendar days after a spring election (first Tuesday in April) if a vacancy occurs within 120 calendar days preceding a spring election. The public hearing may be scheduled immediately following the first meeting, as long as all the activities required in each meeting are accomplished.
- Send a written notice (see [Sample, p. 21](#)) of these meetings to:
  - o each district board member;
  - o each governing body having a member on the appointment committee;
  - o each member of the appointment committee; and
  - o the WTCS Board.

**D. BOARD APPOINTMENT COMMITTEE:** Publishes legal notice of Announcement of Intent to Appoint District Board Members

After receiving the Notice of Pending Vacancy from the district board secretary, the district board appointment committee publishes an Announcement of Intent to Appoint District Board Members, soliciting candidates to apply.

The Announcement of Intent to Appoint District Board Members (see [Sample, p. 22](#)) shall:

- solicit the submission of names and qualifications of candidates;
- include the criteria for selection of district board members; and
- be published at least 14 calendar days prior to the publication of the legal notice announcing the first public meeting of the appointment committee (please see [section F on p. 13](#)).

All legal notices shall be class 1 notices under Chapter 985, Wis. Stats., except that they shall be 8-point type or larger (see [Sample, p. 22](#)).

In addition to publication, notification (see [Sample, p. 23](#)) shall be distributed to special interest groups such as:

- labor organizations;
- business organizations;
- community groups;
- women's organizations; and
- minority organizations.

**E. APPLICANTS:** Applicant/affidavit packet, references and required attendance at the board appointment committee public hearing/meeting.

Applicants must submit a completed application/affidavit packet to the district board secretary for receipt within 14 calendar days of publication of the Announcement of Intent to Appoint District Board Members (see [section D on pp. 11 - 12](#)). Paper copies are due by close of business on the deadline date; electronic applications can be submitted via email until 11:59 pm.

The application/affidavit packet available at ([Documents for District Board Applicants](#)) shall be provided to each district board member candidate. Districts may also find it helpful to provide orientation material about their college to each candidate.

In addition to the completed application/affidavit materials, applicants must also submit at least two (2) letters of reference with their materials and must attend the public hearing of the district board appointment committee at which his or her appointment is discussed and be interviewed. The appointment committee may schedule more than one public hearing to accommodate all candidates.

**F. BOARD APPOINTMENT COMMITTEE:** Publishes legal notice establishing date, time and place of the first meeting and public hearing. The legal notice must list applicants' names. If necessary, in order to accommodate all the candidates, the appointment committee may schedule more than one public hearing.

Within 14 calendar days of the publication of the Notice of Intent to Appoint District Board Members (see [section D on pp. 11 - 12](#)), the board appointment committee publishes a legal notice that contains the names of individuals being considered for appointment, and the dates, times, and places where the meeting and public hearing(s) will occur.

This notice shall be published at least 14 calendar days prior to the meeting to review and approve the plan of representation and review and discuss candidates' applications. The appointment committee may hold the public hearing immediately after the first meeting but must ensure that the notice appropriately reflects that intent.

No person may be appointed unless their name appeared in at least one legal notice of meeting or public hearing/meeting and that individual attended the public hearing at which their candidacy is discussed.

A copy of the legal notice should be sent to:

- each district board member;
- each candidate;
- each governing body having a member on the appointment committee;
- each member of the appointment committee; and
- the WTCS Board.

The appointment committee chair/district board secretary should also distribute all applicants' packets to the appointment committee members prior to the first meeting of the appointment committee. (See [Sample on p. 24](#))

## II. APPOINTMENT COMMITTEE MEETINGS AND PUBLIC HEARINGS

The appointment committee must schedule at least one meeting and one public hearing. The meetings may be consecutively scheduled on one date, as long as both meetings are properly noticed.

The primary activities at each of these meetings are described below. However, if the committee chooses to accommodate the candidate schedules for the public hearing, or wishes to separate the various activities that must be accomplished, the committee may schedule additional meetings. (See [Sample on p. 25](#))

### A. DURING THE MEETINGS, the committee reviews and adopts a Plan of Representation, reviews the candidates' applications and holds interviews and receives public testimony on the candidates.

The appointment committee shall formulate and adopt a Plan of Representation for the membership of the district board at the meeting (see [Plan of Representation checklist](#) and [chart on pp. 33 - 36](#)). The plan must be approved prior to the appointment of new district board members. The plan provides the basis for determining the composition of the district board. The plan shall be based on the most recent population data available and shall:

- give consideration to the general population distribution within the district;
- give consideration to the distribution of women and minorities within the district; and
- form the basis upon which the membership of the district board is determined.

(For Milwaukee Area Technical College only, the Plan of Representation must include a statement explaining how the plan gives equal consideration to the distribution of minorities within the first class city.)

At the meeting, the appointment committee shall review names, qualifications, references, applications and affidavits of all candidates.

- The district board appointment committee establishes a mechanism for reviewing each candidate's application/affidavit for accuracy and consistency and reviews the candidates' qualifications and references.
- The appointment committee must review, given the Plan of Representation and the necessary composition of the district board, how the candidates meet the requirements of that plan.

Subsequent to the activities described above, the Appointment Committee must convene a public hearing to provide an opportunity for public comment about the candidates. The committee must interview the candidates. All candidates must attend the public hearing. Not attending the hearing is a basis for disqualifying candidates.

#### **B. MEETING TO MAKE APPOINTMENTS TO THE BOARD**

Following the public hearing, the appointment committee shall convene a meeting to vote on the candidates.

#### **C. VOTING AND OPEN MEETING REQUIREMENTS**

The Appointment Committee must comply with the following requirements for voting and conducting the meetings:

A quorum must be present for the appointment committee to conduct business. A quorum is statutorily defined as county board chairs or school board presidents representing over 50% of the WTCS district's population. In no case may fewer than two county board chairs or two school district board presidents constitute a quorum.

Selection of the board members and approval of the Plan of Representation shall be by a majority vote of the quorum.

The method of voting for district board members may not be by secret ballot. Voting should be done by roll call vote.

All motions and roll call votes must be recorded.

District board appointment committees must meet in accordance with open meeting laws. Closed sessions may be held in accordance with Chapter 19, Subchapter V, s. 19.85 Wis. Stats.

For the appointment committee to go into closed session, the following criteria must be met:

- A roll call vote must be recorded. A majority vote of the quorum is required.
- The chief presiding officer must notify those present at the meeting of the nature of the business to be considered in the closed session.
- The specific statutory exemption, which justifies the closed session, must be referenced in the minutes.
- The chief presiding officer's statement of purpose of the closed meeting must become part of the meeting record.
- The business taken up in the closed session is limited to the subject stated by the chief presiding officer as the reason for the closed session.

### III. BOARD APPOINTMENT COMMITTEE NOTIFICATIONS: Transmittal of Board Appointment Materials

- and the WTCS Board (see [Sample on p. 27](#)).

Notification should also be sent to all applicants for district board membership thanking them for applying and encouraging continued interest in the technical college system.

- A statement of how the appointments implement the plan by providing local district board membership that gives equal consideration to the general population distribution and the distribution of women and minorities within the district. Additionally, this statement shall specify actions taken to recruit women and minority candidates for the district board.
- In districts encompassing a city of the first class, a statement must be included that describes how the appointments give equal consideration to the distribution of minorities within cities of the first class. (Applies to Milwaukee Area Technical College only.)
